Mr. Lap Man, Founder & CEO of DYXnet Group, stated, "I am proud and honored that the Group is awarded with 'Hong Kong's Most Valuable Companies Service Award' coupled with an additional commendation, representing our strength and superior quality services are well-recognized. Over the years, we have adhered to our mission: 'Connect to China, Link to Future' by dedicating our efforts to build the most comprehensive network coverage and keep abreast of the IT trend, so as to provide the Greater China region with a stable, quality network plus superior contact centre outsourcing services, winning our customers' wide-ranging trust."

Since its start, the Group has always been proactive and innovative. Through establishing a strong network infrastructure as well as providing all-round technical support, we thrive in the ICT industry. Our reputation is attributed to our understanding of customers' needs in order to tailor the best solutions with the Group's professional knowledge and experience. Mr. Lap concluded, "To thank our customers for their support, the Group will continue to advance our existing network. We aim at increasing 14 out of 51 POPs within Asia in the future, thus further enhance our network stability and provide advanced contact centre outsourcing services, keeping our service promises to our valued customers."

Mediazone is a publication group engaged in publishing English business yearbook in Hong Kong. Its "Hong Kong's Most Valuable Companies" award has been created for over a decade and is being known as the "Oscar of the Business Community". There are quite a number of award categories, including banking and finance, property developer, IT, hotels, insurance, jewelry, automotive, public service, travel agency, etc. The editorial committee selects the winners based on their recognitions, their performances in the past 10 years, their impacts and leadership roles in their respective industries along with other factors. This year, to honor companies with special contributions, Mediazone specially named some of the winners, highlighting their leading positions in their industries.
